

Members:

As we start the third quarter of the year, I am pleased to inform all members that we have turned the corner and are now in **NET PROFIT STATUS!** This could not have been achieved without YOU, the members of the club making this happen.

Also, a big THANK YOU to Lisa and her staff that have worked endless hours in contributing to the end result.

As you all know this had to be a group effort to achieve our goal! The Club is back and let's keep it that way!

The Club will again be hosting **THE 2017 BRAVO FEST** on our home grounds. The dates are **September 15th and 16th** and it will be run by all volunteer help. If you would like to volunteer just call myself (315-782-0436) or Lisa at the Club (315-782-1080) and we will be glad to put you to work. There is no pay but when you go home you will not be hungry or thirsty.

Enclosed is a special envelope asking for a small donation to help with the cost of something new this year. All of our daughters have grown up too fast, so now we will be having a **MISS PRINCESS ITALIA**. All members have received a letter about this. **THIS IS NOT A COMPETITION**. All participants will receive a special gift. Give what you can and I promise you the money will be used **ONLY** for this event. Any money left over will be given in a donation to a special charity.

In closing on **September 27th** we will be having our **Men's Night Dinner**. Our featured guest will be the new president of Jefferson Community College, **Dr. Ty Stone**. Mr. John B. Johnson, CEO of the Watertown Daily Times will be Master of Ceremonies for this sell out event. Please call to reserve your seat, so that we can welcome our newest citizen of Watertown and the great support that we will give her.

Thursday night Italian Dinners will be starting after the Bravo Fest. In joking I informed Msgr. Aucoin know that we would hold the dinner on the same night that St. Anthony's holds theirs which I believe is the 3rd Thursday of each month.

Thank You
